New York-WASHINGTON-Paris

## A Sale of Men's All-Silk Shirts At the Unusually Low Price of \$2.95 Each

Men's Fine All-silk Shirts, in the most-desirable and attractive styles, and in striped designs, both broad and narrow. THIS FACT IS IMPORTANT-Every shirt is warranted Pure THREAD SILK, not mixed goods of a quality that gives inferior service and unbecoming appearance. The stripes are woven, fast colors, the same on both sides, and there are many colors to choose

They are Silk Shirts that will wear and wash perfectly. The manufacturer's price concession is due to the limited number of yards of silk-scarcely enough to make a hundred dozen lot, but the scarcity of quantity brings an untold advantage in price. All

A gentleman's dressy shirt for business and every day; a value usually offered at \$5.00.

Special Price, \$2.95 Each.

# Mrs. Burleson Explores SHE WRITES OF THE RIO GRANDE River Has Romantic Past

Postmaster General's Wife Describes Islands of Water way that Separates United States from Mexico.

Mrs. Albert S. Burleson, wife of the to the National Geographic Society, de scribes the wandering islands of the Rie Grande, whose migrations from side to side of the water course have caused

"The refusal of certain small bodies of land to remain permanently attached to one or the other of the river's banks deprived them of a fixed legal status as either Mexican or American territory and brought about their participation in many illegal and uprighteous adventures, which in turn led to misunderstandings between the two countries," writes Mrs

"In no river is spirit more evident than in the Rio Grande. Along its sinuous route below Rio Grand City it pushes its way through miles of level sand in its final reach for the Guif, twisting and doubling upon itself like a sea serpent. In 1848 it was fixed upon as the boundary line between the United States and Mex-The boundary was to be the 'middle of the river, following the deepest channel.' But the river possessed char-acteristics that had not impressed themselves upon the framers of the convention as possible causes of friction between the people living along its banks. In adthe people living along its banks. In addition to its eroding power, exercised through long months of low and mean water, it could during flood periods leap with torrential force across a narrow neck of land at the base of one of its long loops and cut for itself a new channel. Through such avulsive action of the river, Texas soil would sometimes become Mexican, and on accasions a plantation occupied by Jarals and Mexican citizens would overnight find itself. can citizens would need of Texas. would overnight find itself Solution of Problem

gard it as an eleventh hour case of when the death is sick."
"I don't believe the people who are sup-porting the Progressive party on princi-ple are ready for an amalgamation. They want the fight to go on. At present, and in view of the Democratic program, there is more of sympathy between Pro-gressives and Democrats than between Progressives and Republicans." Will Name Teddy.

Representative James W. Bryan.

The rank and file of the delegates at next Republican convention, alder the new primary laws and the cut ting down of Southern representation, will overthrow the old leadership and nominate Theodore Roosevelt. "Colonel Roosevelt's throat trouble, if keeps him out of the campaign

make it harder for the Campaign, will make it harder for the Progressives. 1 doubt if the Colonel will deprive himself and us of a swing around the circle. But even if he is unable to speak publicly, he will find some way of presenting his views to the people.

Representative Arthur R. Rupley, of "I favor no compromise with Repub-"I favor so compromise with Republicans even for the purpose of procuring for Mr. Roosevelf the Republican nomination unless the Republicans adopt the Roosevelt piatform. The Republican party under the customs of American politics is now chiefly a party of negation and opposition. Negation and opposition are the main functions of any minority party. As such a party it should be able to accomplish without widespread surprise changes in its fundamental principles necessary to compliance with the dictates of the Progressive platform. he dictates of the Progressive platfore If the Republican party cared to do this Colonel Roosevelt, I suppose, might ac-

rept their nomination.
"Personally, I do not think the Pro gressive party should permit itself to be absorbed by any other party, whether it has a common candidate with some other party or not. I think there is need in our political life of two regularly organized opposition parties. I think the time of two party government has nessed."

It's I'p to the "Reg'lars." Representative Henry W. Temple,

"I do not think there is any prospect that the Progressive party in 1916 will abandon the principles it adopted in the national platform of 1912. If any other party wishes to adopt those principles and nominate the 1916 candidate of the Progressives I can see no reason for any objection by the Progressives.

Representative Anderson H. Walte Of course there will be no come

we owe the final solution to the prob-lem. He recommended that the 'cul-offs' be forever eliminated from the offs' be forever eliminated from the boundary line, all those occuring on the right of the river to pass to the jurisdiction of Mexico, those on the left to that of Texas. The inhabitants, if any, should retain their citizenship in the country from which they had been so suddenly and violently detached, or they might acquire the nationality of the country to which they were now attached. Any cut-off exceeding 650 acres might acquire the nationality of the country to which they were now attached. Any cut-off exceeding 50 acres in area and having a population of over 1200 souls was not to be considered a banco, and the old bed of the river should be party be has chastised so severely considered to the party be has chastised so severely

feels teward Col. Roosevelt

"A convention embodying his recommendations was finally ratified by both countries. Thus the great turbid, silt-bearing river is left to pursue its way untrammeled; but the terrors so long synonymous with its name have through the operation of this equable arrangement, become a part of the storied, remember to the storied, remember to the storied of the stories of feat for him, and as I view the future

from Brazil indicate that he does no intend to take any action that will alien-ate completely Republican support or make it impossible for him to accept the Republican nomination in case he enters H. Hise- the lists for that party.
